

Four Leg Chair

Field Installed
Wire Book Basket

Features

Seat:

- One-piece, injection-molded, polypropylene shell with even color and subtle texture
- Shell and tubular steel frame is ergonomically designed to offer upper back and lumbar support
- Waterfall edge promotes good circulation and relieves pressure points
- 15 contoured ribs provide greater flexibility at the upper back while supporting the lower back
- Convenient integral handle in the upper back for easy carrying
- Unique molded indentations on both sides of the chair back prevent shifting or leaning when stacked

- Seat and back pads available for 18", 18"A+ and 20"A+ chairs
- Chairs in 18"A+ and 20"A+ seat heights feature an extra-wide shell that provides 30% more seat surface

Frames:

- 18" and 20"A+ frames are constructed from 1 1/8", 16-gauge tubular steel; all other sizes are formed from 1 1/8", 18-gauge steel
- Nickel-plated chrome or black powdercoat finishes assure long-lasting durability
- Available with nylon, rubber, steel, felt or ball glides
- An optional field installed wire book basket is available for 18", 18"A+ and 20"A+ high chairs
- Available in 7 seat heights
