

Features

- Folding mobile cafeteria table with attached benches
- Exclusive torsion bar easy-lift system, providing for smooth and easy opening and closing
- Two-stage security lock secures table in open position as well as partially opened for floor maintenance and cleaning
- Tamper-resistant lock nuts on all down lock assemblies include a self-adjusting hinge lock to ensure the down lock engages every time
- Units feature a new wider storage lock catch with vertical adjustment that ensures the table always locks safely into the folded position
- Storage latch includes release levers on either side to enable unlocking without the need to reach in
- New Jarvis 4" ball bearing swivel caster is non-marring, durable, and makes opening and folding tables a snap. The weight capacity for each is 275 lb. Tamper-proof nylon steel insert glides and tube closures will not break or fall apart
- Table tops and benches are constructed of high pressure laminate bonded to a 3/4" core. Choose from furniture grade particleboard core with T-mold edge, MDF core with LockEdge or plywood core with either LockEdge or T-mold edge.
- Tamper-resistant table top/bench top screws provide superior holding power to frame and can be serviced easily in the field
- Benches are reinforced with 16-gauge aprons and table tops with 14-gauge aprons for additional strength
- Each bench unit has 6 walk-in entry points; center leg bench support has exclusive curved design to prevent tripping during entry
- Safety tested and listed by Underwriter's Laboratories, Inc.
- 29" standard height. Additional heights of 25", 27" or 32" available as well as wheelchair positions
