

Mobile Bookcases

Features

- Cabinets are constructed of 3/4", 13-ply birch plywood with joints that have been reinforced with a strong, durable wood glue, and 7mm screws and dowels
- Shelves are constructed of birch veneer panels
- Edges are sanded and shaped smooth
- Exposed corners are rounded
- 4" diameter heavy-duty locking casters are bolted in place
- Shelves and dividers are dadoed for maximum strength and durability
- Finished in a clear environmentally friendly ultra-violet cured acrylic that is virtually impervious to all common classroom disinfectants
- Ships fully assembled
