Product: Wikki Stix One-of-a-Kind Creatables  
U.S. Patent No. 4,273,537

Ingredients: The two components of Wikki Stix are a food-grade wax and a 4-ply acrylic yarn strand. The wax supplier, IGI, has provided detailed information relative to the wax, certifying that it is non-toxic, and food-grade quality. Yarn dyes are certified non-toxic as well. Supplier is Technical Marketing Inc. and Coren-Indik.

Additional: Wikki Stix comply with ASTM D-4236, as well as ASTM F963-92. Further, Wikki Stix have undergone testing in the U.K. and conform to BS5665 and EN71.
