

MATERIAL SAFETY DATA SHEET

Product Name: Rubber Latex

Product Code: Latex

Manufacturer's Name: American Art Clay Co., Inc.
6060 Guion Road
Indianapolis, IN 46254

Information Number: (800) 374-1600

Emergency Number: (800) 374-1600

Section I – Product Identification

Product Name: Rubber Latex

Product Class Misc. Supplies

Product Size: 16oz.

AMACO Rubber Latex

Section II – Hazardous Components

Reportable Components

CAS#

Vapor Pressure
Mm Hg @ Temp

Weight
Percent

** No reportable quantities of hazardous ingredients.*

This product carries the "CL" seal. Labeling conforms to ASTM D4236/LHAMA. Contains natural latex. Do not allow to freeze. See Section VI.

Section III – Physical / Chemical Characteristics

Boiling Range: 212°F – 232°F

Specific Gravity (H2O=1): 1.03

Vapor Density: Heavier than air.

Evaporation Rate: Slower than ether.

Coating V.O.C.: NA

Material V.O.C.: NA

Appearance and odor: Thick liquid with ammonia odor.

Section IV – Fire and Explosion hazard Data

Flash Point: >300°F

Method Used: NA

Flammable Limits in Air by Volume: NA – Lower

NA – Upper

Extinguishing Media: Water, Dry Chemical, CO2, and Alcohol Foam.

Special Firefighting Procedures: Use self-contained breathing apparatus.

Unusual Fire and Explosion Hazards: When burned, may emit water, nitrogen oxides, ammonia, carbon monoxide, carbon dioxide and smoke. May emit toxic fumes of ammonia. Ammonia vapors can form explosive mixture with air.

Section V- Reactivity Data

Stability: Stable

Conditions to Avoid: Freezing temperatures

Incompatibility (Materials to Avoid): Avoid strong oxidizing agents. Coagulates in acid medium.

Contamination by copper, magnesium and their alloys will deteriorate the rubber.

Hazardous Decomposition or Byproducts: Ammonia, and by combustion: oxides of carbon and nitrogen, and hydrocarbons.

Hazardous Polymerization: Will not occur

Section VI Health Hazards Data

Inhalation Health Risks and Symptoms of Exposure: Excessive ammonia vapor exposure may cause irritation to eyes, throat, nose and lungs.

Skin and Eye Contact Health Risks and Symptoms of Exposure: Eyes – Direct eye contact can cause severe irritation to the eyes. Flush with soft water for 15 minutes. If irritation persists, contact physician. Skin – wash hands thoroughly with soap, and then apply skin crème. If irritation persists, contact physician.

Skin Absorption Health Risks and Symptoms of Exposure: May cause allergic reaction. Wash hands with soap and water, apply skin crème. Contact physician, if irritation persists.

Ingestion Health Risks and Symptoms of Exposure: Indigestible if swallowed. Do not induce vomiting. Contact physician.

Health Hazards (Acute / Chronic): See above.

Carcinogenicity: No – NTP Carcinogens No – IARC Monographs No – OSHA Regulated

Medical Conditions Generally Aggravated by Exposure: Unknown

Emergency and First Aid Procedures: Contact your local poison control for further health information.

Section VII – Precautions for Safe Handling and Use

Steps to Be Taken In Case Material Is Released or Spilled: Contains ammonia. May be toxic to aquatic life. Do not allow spilled material to enter water courses. Absorb with oil dry or similar product.

Waste Disposal Method: Dispose of paper towels in trash and rinse sponge. In manufacturing, dispose of in accordance to Local, State or Federal regulations.

Precautions to be taken in Handling and Storing: Store in cool dry and ventilated space. Protect from freezing.

Other Precautions: Not for use by children or in healthcare facilities.

Section VIII – Control Measures

Respiratory Protection: If excessive ammonia vapors are present, use NIOSH certified mask.

Ventilation: Use in well ventilated area.

Protective Gloves: Not needed unless allergic to latex.

Eye Protection: Not needed.

Other Protective Clothing or Equipment: As needed to protect against skin contact.

Work / Hygienic Practices: Refer to AMACO Product Encyclopedia & Safety Manual.

Section IX – Disclaimer

Information presented herein has been compiled from sources considered to be dependable and is accurate and reliable to the best of our knowledge and belief but is not guaranteed to be so. Since conditions of use are beyond our control we make no warranties, expressed or implied, except those that may be contained in our written acknowledgement.
