# MIDDLE SCHOOL ART MATERIALS LIST

As students mature, learning about art provides a supportive forum for them to grow as people. Students gain self-awareness and self-expression. As they work together toward a common goal, they also build social skills and positive relationships. We offer lesson plans and supporting products that promote all these goals. Explore this sheet for a sampling. Discover even more at [Select.SchoolSpecialty.com](http://Select.SchoolSpecialty.com), and ask your School Specialty representative how our expertise can help you.
